

YOU WANT TOUGH?

THEN GET THE NEW WL12000HE INDUSTRIAL GENERATOR FROM **WINCO**[®]

The powerful and rugged **WL12000HE** with a reliable Honda 20 HP engine and brushless design generator with clean wave form has what you need for those difficult jobs! Electric start and low oil protection are standard features of the HONDA engine, and the large 6-gallon fuel tank lets you run for up to 6-3/4 hours before refueling. The sturdy frame has a durable powder paint finish which keeps the unit looking at its best. The hour meter lets you keep track of service intervals and time used on the job site. Multiple receptacles offer the right configuration for nearly any job, and the all-terrain wheel kit and lifting eye come as standard features. WINCO provides absolutely the best everyday value. With WINCO, you get more **tough** for your buck!

- * Low oil protection automatically stops engine if crankcase oil is low
- * Generator has clean wave form - Total Harmonic Distortion <5%
- * Large 6-gallon fuel tank with gauge for up to 6-3/4 hours run time
 - * All terrain wheel kit with fold-down handle and lifting eye are standard features
- * Durable powder paint finish on rugged wrap-around frame.
- * Hour meter for keeping rental and service records

WL12000HE Specifications

Maximum Power Rating	12,000 watts
Continuous Power Rating	10,800 watts
AC Output Voltage (60hz)	120/240V, 1-Ph
Continuous Amperage Rating	90A/45A
Total Harmonic Distortion	< 5%
Engine Make/Model	Honda GX620
Displacement/Rated Power	620cc/20 h.p.
Motor Starting Ability (1)	6 h.p.
Low Oil Protection	Standard
Starting System (2)	12V Electric
120V 20A GFCI Duplex (NEMA 5-20R)	2-20 Amp
120V 50A (NEMA 5-50R)	1-50 Amp
120/240V Straight Blade (NEMA 14-60R)	1-60 Amp
Dimensions L x W x H (in.)	33x 25.5x 24
Ship Weight (lbs.)	380 lbs
Engine/Generator Warranty	2 yrs/1 yr

NOTES:

(1) Code G capacitor start motor. (2) Battery not included, battery rack and cables are standard.
